## Welcome to Barnet's 23rd Annual Civic Awards.

It is a privilege to welcome all the recipients of Civic Awards this year and their guests to the Town Hall this evening.

This year the awards are being made in three categories; 'Barnet Lifetime Achievement Civic Award'; 'Barnet Award for Outstanding Service to the Community' and 'Barnet Young Citizen of the Year', and I would like to thank all those who took the time to nominate individuals and organisations for recognition.

This evening, in a borough where we are fortunate to have so many active and dedicated volunteers, it is a particular pleasure to be able to acknowledge and honour our award winners. However, I would also like to take the opportunity to thank all those who give up their time, week after week, to support others and make Barnet an even better place to live.
