I am writing to express my concerns regarding the Policies affecting Edgware in the proposed Main Modifications to the Barnet Local Plan.

I live in Edgware and go to the Edgware Town Center frequently, mainly walking to the station for accessing public transport from home and back for work, for shopping at the shops on the station road, at The Broadwalk, visiting banks, and enjoying the food at various local restaurants.

As a resident of Edgware, I understand the plan has been under development since 2020. However, I only recently became aware of its existence and its potential impact on our community.

Unfortunately, I haven't received any written communication from Barnet Council about the Local Plan, despite its significance for Edgware's future. Given the potential for significant change to Edgware's character and residents' quality of life, I believe wider notification would have been helpful.

I found the volume and complexity of the Local Plan and the related documents overwhelming. The 42-day consultation period seems insufficient for anybody to comprehend the plan's details – especially for anyone with work or caring commitments.

However, I am deeply concerned about the impact of the Local Plan on Edgware and its residents, both present and future.

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

Yours sincerely
