## Tickets and Booking

Some of our events require a small charge. This allows us to continue to provide a range of events and activities. We keep our charges as low as possible to cover our basic costs and reinvest all takings in our library services, including future events.

You will find the QR code to book tickets on each page. Scan the code with the camera on your phone and tap on the web address when it pops up. Or you can visit <https://barnet-libraries.played.co>. Find the event you wish to book and add tickets to your cart, then follow the instructions to pay. You may need to select the library the event takes place at to find it. If you can't find an event, booking has yet to open. Sign up to our e-newsletters to find out when booking opens and for the latest news. Visit [www.barnet.gov.uk/librarynewsletters](http://www.barnet.gov.uk/librarynewsletters) to find out more.

*Cancellation Policy: we offer a full refund for tickets cancelled more than 48 hours before an event. We are unable to refund tickets cancelled within 48 hours.*
