I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modification to the Brent Local Plan.

1. There will be a significant loss of public parking which will have a detrimental impact on local shops and shoppers.
2. The construction work will severely impact access to the Broadwalk and will deter the public from using Edgware shops.
3. The suburban character of Edgware town centre will be blighted and permanently altered and compromised forever.
4. The proposed bus stops will be impractical and will lead to buses queuing to enter or leave which will have a knock-on effect on traffic in Station Road.
5. Edgware is in 2 London Boroughs and they should both be involved in the plans.

As a local resident who uses Edgware for shopping and travel I have not received any written communication from Brent Council about the Plan.

I am deeply concerned about the impact of the Local Plan on Edgware and its residents.

I would therefore express my strongest support for any representations made by Save Our Edgware and the Edgware Community association.

Please consider their submissions as also reflecting my concerns

Please can you arrange for this letter to be considered as part of the Equality Impact Assessment?

Yours sincerely

Mr Terry Gibbs
